

# KINDERFAIR

**Kinderfair** is an annual school event dedicated to supporting a positive transition to school for our upcoming kindergarten students and their families. At **Kinderfair**, we believe in the power of families learning together. Our activities are designed to be family-centered, allowing parents and caregivers to participate alongside their children. Families can enjoy shared reading experiences, engage in games, puzzles, and explore collaborative learning opportunities. **Kinderfair** also provides a unique opportunity for children and parents to meet and interact with school staff. This gives families a chance to familiarize themselves with the school environment, ask questions, and establish a connection with key educators who will support their child's educational journey.
